Competitions:

The club runs an annual **Fish Competition** based on the condition factor and size of fish. Seven entry cards are provided on payment of subscription (more can be purchased @ \$1 each). The competition runs on an honesty system so the fish can be released. Details of the fish [length - weight – where it was caught and fly it was caught on] are entered on the card (one fish per card). The entries for each month go into a monthly prize draw. The major annual prizes are for the highest condition factor fish 3lbs and over, the heaviest brown, the heaviest rainbow, and the best average weight throughout the season. All entries for the year go into the major prize draw.

A **Fly Tying** competition is run during the winter months. One entry per month of the fly nominated by the executive.
 A **Photo Competition** held the June Monthly Meeting. 4 sections: trophy, action, scenic & general. 3 entries per section per member, 7x5 prints.
